

Workshop: Mini Mid-Mod Quilts

Presenter: David Owen Hastings

SUPPLY LIST

MATERIALS LIST

- Cotton sewing thread to go with your fabrics: a medium grey works great, or match the neutrals you're using.
- 6–8 fat quarters of fabric: choose solid or subtly printed quilting cotton fabrics in a neutral color family. Very subtle textures are OK but no strong prints, please. Choose colors in one family with similar values, such as ALL light grey, ALL medium grey, ALL black, ALL tan, ALL navy, etc. If you use prints, make sure they are very small. Yarn dyed woven fabrics are nice for this project and provide a texture contrast to the printed cottons.
- 2–3 small scraps of solid accent fabrics: choose strong, bright, modern colors. No prints, please.
- 1 piece of quilting cotton for the backing: cut into 5" x 5" squares (cut 6–8)
- 1 piece of cotton quilt batting: cut into 5" x 5" squares (cut 6–8)
- OPTIONAL: #8 or #12 perle hand quilting cotton thread and a sashiko or embroidery needle

Please cut the 5" x 5" squares of backing and batting to size before class, so you can have as much time as possible to work on your mini quilts. You will receive a PDF handout with directions — the directions are notes for your reference to use during class. You do not need to do any sewing in advance.
