

## Home Sweet Home Supply List

This is a class to use up bits and pieces of whatever you have. I will be showing a few different and *simple* ways to make houses. Some pieced, some fused and some glued - all designed to let you play without getting caught up in complicated technique. Choose one technique, do them all or go off on your own idea. I look forward to seeing the creative way that we all express our Home Sweet Homes!

Sewing Machine and sewing supplies

**Houses** - Any scraps or small chunks of happy, cheerful fabric

**Background** - I worked with 12" squares of one background fabric. You are welcome to make choices as you go, or use muslin or scrap fabric as a foundation background that is covered up at the end.

### **Optional Supplies**

Any type of fusible web that you have on hand

Glue stick

Any fabric markers, buttons, colored threads or other embellishments supplies that you may have on hand.
