

Strata Quilt

Materials List

Fabrics:

Assorted coordinating colors of hand dyes, batiks and silks. These all must be at least the vertical height of the quilt. If they are too short you may piece them so they are long enough. Be sure to back all silks with a light fusible stabilizer of your choice.

Silk organza in assorted coordinating colors.

Yarn

Assorted styles and colors of yarn. You will need to double up (fold yarn strands in half) to get good coverage around organza circles.

Thread – These are recommend but not required

Madeira – Super Twist #30
