

Supply List for “Going in Circles”: An Abstract Circular Piecing Technique

- Sewing Machine and accessories (power cord, foot pedal, extension table and manual)
- ¼” piecing foot for your machine
- Rotary cutter with a new blade
- Cutting mat (18”x 24”)
- Ruler (6” x 24” or 6” x 12”)
- Square ruler (8 ½” or 12” square)
- Basic sewing kit (scissors, seam ripper, straight pins)
- Iron
- Spray starch
- Stiletto
- Thread in a neutral cotton
- Fabric – I like to work with solid-colored 100% cotton fabrics, but really any cotton fabric that “reads” solid or has a slight print would work as well. Large scale prints won’t highlight this technique but narrow striped fabrics look quite interesting mixed with the solid fabrics.

As far as amounts of fabric goes, 1/8 of a yard up to a ½ yard cut of a variety of fabrics would be plenty. If you have a fat quarter bundle of fabric that would be fine, **but a jelly roll (or a package of 2 ½” strips of fabric) is not sufficient.** Larger size scraps can work well here.

If you would like more direction, bring at least 10-12 different fabrics that make you happy of at least 1/8 of a yard. More fabric is always fine 😊.
