Blocks

Quilt

Fabric:

For the above quilt size (70 ½" x 80 ½"):

- 3 ½ yards background (light tan fabric)
- 3 ½ yards "print" (I used green and blue batiks)
 - OR 1 ¾ yard of TWO "prints"
 - OR 1/3 yard of TEN different "prints"

You should be able to get most of this together in our class.

Quilt size (32" x 32"):

- 1 1/8 yards black (fabric 1)
- 1 1/8 yards white (fabric 2)
- 2/3 yard blue fabric for border

For the Black and White quilt (46" x 46"):

2 ½ to 2 ¾ yards white (the extra yardage will make extra blocks)

2 ½ to 2 ¾ yards black (the extra yardage will make extra blocks)

****It is helpful to have some extra work space in which to lay out the long reverse image blocks. If you can have a 36" x 36" open area that would be great.****
